## ASSOCIATION NEWS

### DEAR RESIDENTS,

**February was a very successful month for all our events.**

We had big turnouts for our Superbowl and Valentine's Nights and although it was a much quieter evening for our Mediterranean Night, it was enjoyed by all. We received excellent reviews from our residents. Thank you!

It's so worth it when we get this feedback from our residents. Great work from all our team. Looking ahead, we have some really fun events coming up for the months of March and April. Stay tuned!

**Painting:** The painters are now working their way around to the east side of the building. We will keep you posted. If you are not in town and would like us to remove your furniture, please contact Vasyl at [vasyl@pdtowermiami.com](mailto:vasyl@pdtowermiami.com).

Window cleaners will start on March 29th.

*Sincerely,*

*Stephen Walshe*

## MAINTENANCE CORNER

Starting this month, we will have an Engineer on duty Monday through Friday until 7pm. This will help alleviate some of your requests late in the afternoon.

Spring is coming let's not forget the warm and humid weather. With this said let ensure that having a functional A/C system is vital if you want to stay comfortable during spring and summer. An inefficient HVAC system can guzzle up and unnecessarily high amount of electricity. So, be sure to have your system inspected and or cleaned before the hot day arrive.

## OPERATIONS CORNER

**Residents... START YOUR ENGINES!!!** Get prepared and start practicing, in the upcoming month we will be holding a **Racing Simulator Elimination Tournament** with prizes and overall bragging rights to be Champion!!! So use this month of March to hone your racing skills as you prepare to face off against stiff competition in a winner-take-all tournament!!!

For information on the tournament, please email tournament director Jorge Rivera at [jorge@pdtowermiami.com](mailto:jorge@pdtowermiami.com)

The **Dezervator 2** motor changes that were recommended by Germany will be done on the week of March 15th-19th. All cars for the 01 line will be kept in the garage for the entire week. The shuttle will be moving faster, smoother and more efficiently after this needed upgrade is made.

For any special requests please contact your Car Concierge 24/7 @ **786-805-6961** or at [carconciierge@pdtowermiami.com](mailto:carconciierge@pdtowermiami.com)
