

## ASSOCIATION NEWS

Hello everyone, we are looking forward to an exciting February. Two of our biggest events occur this month. We will be showing the **Superbowl on Sunday, February 13th** in **Octane** and out on the pool deck, we will have a 20' inflatable screen. Last year was a hit, so please make sure to reserve your seats. The restaurant will be providing a buffet style menu (\$25 per person).

The very next day, it's **Valentine's Day on the Pool Deck and at Fuel** (restaurant). We will host 8 string musicians on the pool deck. If you have not seen it before, please do. We highly recommend you both stay in this year, order in and watch the show. Chef Carlos has prepared a tasty menu for the evening.

**Security:** We are getting some complaints from residents regarding our security. We are listening to you and we have met with the company in order to address the situation. We are currently working to bring in some new guards and we do expect to see some improvements in the next week.

The wooden floors in the clubroom have just been refinished and we are currently polishing the floors in the lobby (while you sleep). The window cleaning company is back on-site and working around the building.

Finally, congratulations to the **Board of Directors**. The intent to be a candidate was sent out at the end of December. We received no other candidates, meaning the Board will remain the same for the next year. We all know it's a thankless job!

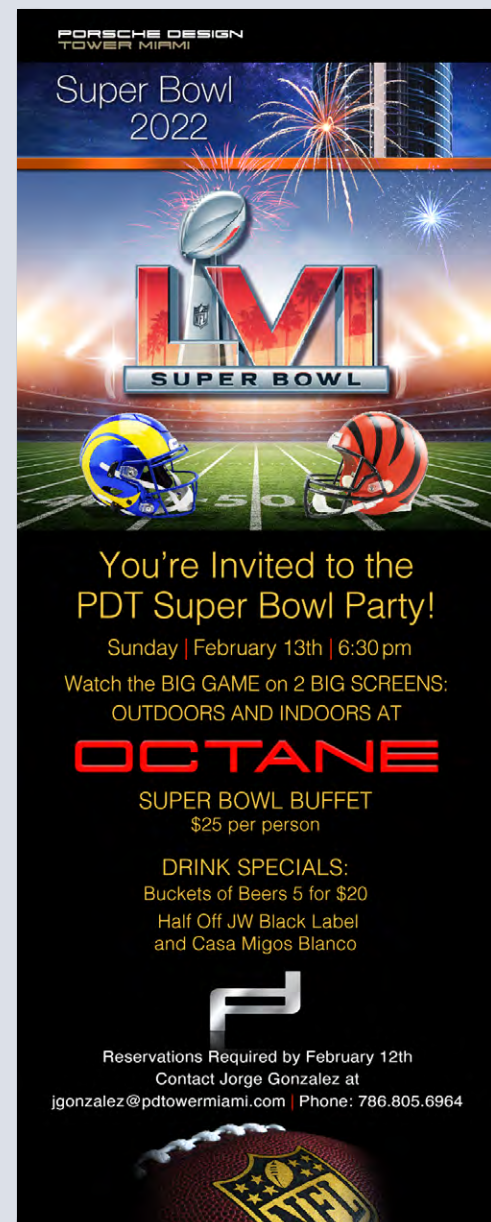

Membership meeting will take place on February 28th.

*Sincerely,*

Stephen Walshe

It is **National Pancake Day on February 25th in Fuel**. One of our favorite days of the year! We will be serving pancakes all day.

## OCTANE BAR

Beyond our February events, we are looking into a wine tasting event in March and a cocktail night in April. Please contact Jorge Gonzalez for more information at [jgonzalez@pdtowermiami.com](mailto:jgonzalez@pdtowermiami.com).

## MAINTENANCE CORNER

Elevator #1 is down again for a few more weeks. Thyssenkrupp has ordered the part and we expect it to be back up and running by the 2nd week in February.

We are currently cleaning the outside windows. This project should take a few weeks depending on the weather, and we are currently polishing the granite in the lobby. This is being done at night to avoid disruption.

Preventative maintenance work on Elevator #3 will begin soon. We expect the work will take 3 weeks to complete. This means the East elevators will only have 1 (one) elevator operating for 3 weeks. Deliveries and move-ins will be severely restricted during this period. We also encourage everyone who orders their vehicle to ride in the Dezervator inside their vehicle during this time.
